Hi, just wanted to touch base with you one-on-one with this. Could you call me when you're free?

Thanks,

Pat

Hi Pat,

Thelma approved the request and I'll be reaching out to HQs for payment to Apex.

I believe Madeline worked with Vinh Troung on the newspaper notices since I was on vacation.

The stenographer is always a separate request.

I'll let you know if anything else is needed for HQs.

Thanks for your email.

Hi Nancy,

I just spoke with Madeline, and she worked with you on payment with the newspaper publications for this round of public notice, but it does not appear she touched base regarding the court reporter or closed captioner. I thought this had happened, but in talking with Madeline it appears it did not.

Should I complete the purchase request after the fact?

Thanks, and I apologize for this omission. It will not happen again.

Pat

Good morning Pat,

Happy New Year.

I received the attached Apex invoice from Madeline for a public hearing on December 2nd for the South Wind Farm. Unfortunately, I was not made aware of this public hearing and Apex services. Bankcard purchases always require prior approval from my approving official, Thelma.

Since this merchant is blocked with HQs I'll need to send them all my documents including Thelma's prior approval for them to unblock the merchant so the invoice can be paid. Can you provide me with an explanation why this occurred without prior approval? I'll need to attach explanation to my documents.

Thank you.
